

Serial No. 10/648,805

Attorney Docket No. 14-018

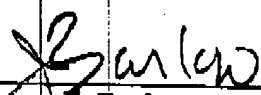

REMARKS**BEST AVAILABLE COPY**

In the previous amendment of today's date, minor terminology changes were made in claim 2. However, no changes were made to the dependent claims. After sending the amendment, it was discovered that several of the dependent claims used the terms that were changed. Thus, several of the dependent claims require amendments to maintain consistent terminology. This amendment is merely to make the terminology of dependent claims 5-12, 18 and 21 consistent with claim 2.

In view of the foregoing and in view of the amendments and remarks of the previous amendment of the same date, the applicants respectfully submit that this application is in condition for allowance. A timely notice to that effect is respectfully requested. If questions relating to patentability remain, the examiner is invited to contact the undersigned by telephone.

Please charge any unforeseen fees that may be due to Deposit Account No. 50-1147.

Respectfully submitted,

James E. Barlow
